NEWS OF MARION CHURCHES

Have You a Church Home?

THREE TO GO TO PRESBYTERY

Presbyterian Church To Be Represented at Urbana Meeting Sept. 19

W. N. Harder, Harry Stock and Rev. James M. Hicks, pastor of Ivy Street Presbyterian Church, will be in attendance at the meeting of members of the Marion Presbytery at Urbana, Monday, Sept. 19, it was announced today. Mr. Harder and Mr. Stock will represent First Presbyterian Church and Reverend Hicks, Ivy Street Church, a question, while Park Place Presbyterian Church, as per our write-up, not a pastor, will not be represented at the meet.

Mr. Harder will also represent Marion at a meeting of the general committee preceding the Presbytery session. At that time the program for the Presbytery meeting will be made out. Rev. John C. McCoy, Marysville, moderator of the council, will preside.

All meetings will be held at the Presbyterian Church in Urbana.

For the purpose of considering the calling of a pastor by the people of First Presbyterian Church, elsewhere will meet at 7:30 o'clock next Wednesday night, Sept. 21, at the church, Mr. Harder further announces.

The service Sunday morning will be in charge of Rev. Howard L. Otwiler, pastor of the Poppy Hill Church, Williamsburg, Pa. There will be no evening service.

MINISTERIAL GROUP TO HOLD ELECTION MONDAY

Officers will be elected and work for *the coming year outlined at the first* meeting of the year of members of the Marion County Ministerial Association at 10:30 a. m., Monday, Oct. 3 at City Library, according to announcement made today by Rev. George E. Grosser, pastor of Central Christian Church and vice president of the organization. A number of new members, including the new Marion ministers, will be received at that time. Committees will be appointed for the coming year.

FOREST LAWN SERVICES

Sunday services at Forest Lawn Presbyterian Church will be in charge of Rev. W. A. Crook of Wooster, who will preach at the morning services at 10:30 o'clock and at the evening service, at 7:30 p. m.

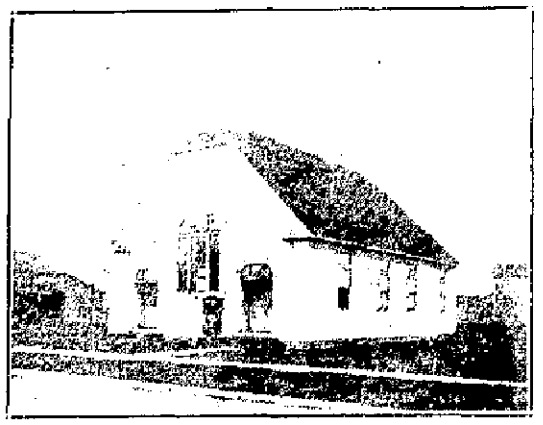
ASBURY M. E. CHURCH



Asbury M. E. Congregation is considering a plan to build a new edifice to replace one shown above. According to recent statements of members of the congregation the work is expected to start within the next year. There now are 900 on the church roll.

WILL DELIVER FIRST SERMON

Rev. George A. Whitlock, West Carrollton, To Begin Duties at Wesley

Rev. George A. Whitlock, former pastor of the M. E. Church at West Carrollton, will preach his first sermon as pastor of Wesley M. E. Church at 10:30 o'clock Sunday morning at the church. Dr. J. H. Darling, former pastor of the church, will conclude the first services as pastor of the M. E. Church in Camden, at the new charge.

Reverend Whitlock has been pastor of the West Carrollton Church for three years and in addition to his pastoral duties is interested and talented in musical lines as well as being an *ardent golfer inclined.*

Reverend Whitlock plans to return to West Carrollton Sunday night and will move his goods here the begin of next week. Dr. Darling will locate permanently in Camden at that time.

Dr. Darling plans to visit his sons in Dayton for a short time on the trip.

OAKLAND SOCIETY PLANS BIBLE STUDY

Mrs. H. E. Hill To Have Charge of Classes with Review of Books

For the purpose of aiding in acquainting the public with the contents of the Bible, members of the Adult *Christian Endeavor Society of Oakland* Evangelical Church, will open a class in Bible study there at 6:30 o'clock Sunday night, Sept. 25, it was announced today.

Mrs. H. E. Hill will have charge of the classes, to open with a study of the Books of the Bible, starting with Genesis. The Bible study period is open to all, Bible, pencil and note book being the only requisites to the course.

Classes will be held at 6:30 o'clock each Sunday night, preceding the regular evening service, according to the plans announced today.

BEST LOVED BOOK IS TO BE SERMON SUBJECT

With his sermon on the subject "The Best Loved Book," Dr. C. S. Davis, pastor of Trinity Baptist Church, will preach the first of a series of sermons at the service at 7:30 o'clock Sunday night at the church.

All sermons of the series will be on *some subject relating to the Bible.* The subjects, announced, follow: "Sept. 25, "The Bible and Its Influence on Civilization;" Oct. 2, "The Bible and Young People", Oct. 9, "The Bible, the Only Inspired Book."

SALEM CHURCH PLANS BUSINESS SESSION

Congregational Meeting Will Be Held Following Sunday Night Service

Following the Salem Evangelical Church service at 7:30 o'clock Sunday night in Community House, S. Basin St., there will be a congregational business meeting, according to announcement made today by Rev. G. A. Kaufler, pastor of the church. The pastor's sermon for the service will be on the subject, "Confidence Restored."

At the morning service at 10:30 o'clock Reverend Kaufler's sermon will be in German.

Services are being held at Community House while Salem Church is undergoing repairs.

B. Y. P. U. TO PRESENT PAGEANT AT CHURCH

Entertainment Will Be Given in Connection with Fite Church Rally

In connection with a young people's rally at Fite Memorial Baptist Church, at 7:30 o'clock next Sunday night members of the *Baptist Young People's* Union will present "The Creation of a B. Y. P. U." under the direction of Mrs. W. S. Young.

Members of the Union, with the assistance of Mrs. Young will organize to a pageant of the program, to be followed by a class with a consecration service in charge of the pastor, Rev. W. S. Young.

OAKLAND MEN RETURN TO RESPECTIVE SCHOOLS

The young men of Oakland Evangelical Church, who are interested in the ministry, left during the past week for their respective colleges to study theology.

Rev. Ernest Bradley, 750 Prospect st., went to Naperville, Ill., where he will be a senior at the North Central College and Clarke Davis for Wilmore, Ky., where he will enroll as a student at Asbury College and study for the ministry. Both young men have spoken at Oakland Church a number of times.

LOCAL LADY FREE OF RHEUMATISM; WALKS FINE NOW

Konjola Brought Amazing Relief To Her After Years' Suffering

In Marion and all nearby towns a multitude of people have found surprising relief from their rheumatism after giving Konjola a trial. This medicine is not a chemical, tablet or capsule, but a remarkable new liquid compound,

THE KONJOLA MAN

which contains juices extracted from 22 of Nature's finest medicinal roots and herbs. These cleanse away the impurities through the stomach, liver, kidneys and bowels, thus ending the aches and pains and benefiting the stomach and inner-organs at the same time, which is the safest, surest and best way to conquer the miserable tortures of rheumatism or neuritis.

The Konjola Man at the Sanns Pharmacy, 121 S. Main St., Marion, is meeting large crowds daily and explaining this new compound. Hundreds of testimonials are on file from people of Marion and vicinity who have already benefited by using Konjola a week.

One of the latest products of this section to endorse Konjola is Mrs. Sarah Baum, 371 Clinton St., Marion.

"I suffered for years with stomach trouble," said Mrs. Baum, "and never could get any permanent relief until I found Konjola. This medicine quickly reached my case in a wonderful way and very quick time.

"My legs and back were sore all the time. The kidney secretions were irregular and swollen and I had dizzy spells. I was all run down and nervous and my kidneys would bother me so much during the night that I would hardly get any rest. I was finally able to get around all right, but I could hardly walk. In fact, I was so stiff and sore I could hardly get around. I was feeling miserable and discouraged when I started taking Konjola. I have taken three bottles and it has relieved me of all my troubles. I feel like a new woman. I have no pains, my kidneys are working regularly and my stomach is in fine condition. I sleep well every night and feel like a new person in every way. I am glad to recommend Konjola to my friends. It is like a tonic to me and I feel that it is the best medicine for kidneys or stomach trouble. I feel fine in every way in general, and can do my housework and take a long walk, which I could not do for months before I took Konjola. In fact, I have not been so well in three years and I am glad to verify this.

"After the wonderful benefit I received in my case, I am glad to recommend Konjola as a medicine to others, because I know from what it can do."

The Konjola Man at the Sanns Pharmacy, 121 S. Main Street, Marion, where he is daily introducing the local public to Konjola, and explaining the merits of this remedy. Konjola is now being sold by all of the good druggists in every locality in town of this whole section.—Adv.

Market Favorites Continue Price Advance Today

TRADE REVIEWS SHOW INCREASE

Favorable Reports Create Optimism Among Dealers on Wall-st

MARKETS AT A GLANCE

New York, Sept. 17 — Railroad stocks firm; industrial stocks, irregular; domestic bonds, steady; foreign bonds, steady; grain, unsettled; copper, firm; oil, irregular; cotton, firm; rubber, firm; sugar, steady; pig iron firm, and foreign exchange, strong.

New York, Sept. 17—Friday's [illegible] in the market for stocks was carried over into the short week in the market today and new [illegible] of many of the [illegible] stocks showed gains of 1 to 3 full points over the previous close.

General Motors, old and new stock, occupied the center of the stage. Keen demand was in evidence at the outset for the shares and the [illegible].

Surveys Favorable

The weekend business surveys were generally favorable. Bank clearings for the week were up 16 1-2 per cent as compared with the same week of 1926. Commodity prices showed a firm and Bradstreet's final index number gained 5 points for the week.

The wholesale and distributing changes of trade reported good increases for the week. Washington dispatches indicated the certainty of a [illegible] program this year. Crops reported in prime condition on the promise of the discontinuance of price forecasts by the department of agriculture's bureau and the money market outlook was pictured in favorable light.

Lively Start

Trading in General Motors started off with a cross and a bang, with 33,000 shares of the new stock at 107 to 107 1-2, opening the market for issue shares, while the old stock struck off "new objective" at 275, up 3 1-2 above Friday's close. The professionals on the floor of the exchange [illegible] in general moles as the General Motors post, underwriting was on the huge scale reported in the full sessions of the week.

The powerful pools in Texas Gulf Sulphur Consolidated Gas and other of the star actors of the week, pushed their favorites forward vigorously in a rapid increase in the first hour. Texas Gulf Sulphur at 73 sold as the equivalent of 300 for the old stock, completing a gain of nearly 200 points over the past year. Consolidated Gas sold above 121, the highest prices ever recorded for the stock in its present form, and equivalent to 242 for the stock before the last splitup.

Copper's Firm Tone

Further stiffening of the copper metal market was reflected in the firm tone of the copper stocks. American Smelting advanced to above 150 while Magma Inc advanced to above 150, while Magma established a new high for the year at 40 5-8 and Anaconda, Cerro De Pasco, Chile and Inspiration rose a point or more.

Profit-taking in the steel stocks, the rails and the bulk of the fast-moving specialty stocks in the second hour produced an irregular tone in the market as a whole and prices veered downward. United States Steel, Studebaker and other speculative favorites were heavy from the start, and were never able to duplicate their opening prices, which were fractionally above Friday's close.

Gimbel Brothers in spectacular leadership of the mercantile stocks, jumped seven points to 59 in active trading. Sears Roebuck, Montgomery Ward, and Woolworth were slightly reactionary. Rails were in [illegible] and dull, with New York Central and Union Pacific reaching moderately higher prices.

U. S. BONDS

New York, Sept. 17—Opening Liberty Bond quotations: 2nd 4 1-4s, 104.27; 3rd 4 1-4s, 101.2; 4th 4 1-4s, 104.1.

Closing Liberty Bond quotations: 1st 4 1-4s, 101.10; 2nd 4 1-4s, 101.17; 3rd 4 1-4s, 101.2; 4th 4 1-4s, 104; new 4s, 105.30; and new 3 1-2s, 101.5.

Build in Vernon Heights. Four new homes are now under way.—Adv.

6,000 ATTEND FAIR CLOSING

Approximately 18,500 Admitted to Ground During Four-Day Program

Marion County's seventy-seventh annual fair came to a close yesterday and despite the heat had an attendance of more than 6,000.

Although the attendance figures for the fair were slightly below other years in quality and number of exhibits received, the event this year ranks with fairs of other years.

Approximately 18,500 persons passed admittance to the fair grounds during the four days, starting Tuesday and lasting until Friday. Night fairs held Wednesday and Thursday played a large part in the total attendance figures for this year's fair, a report reveals.

Thursday Big Day

Thursday was the red-letter day of the fair, more than 9,000 persons paying admission. Only a few hundred were present on the opening day and a little more than 2,000 on Friday.

Harness horse races, automobile races, auto polo games, a balloon ascension and parachute jump and free vaudeville acts on the grandstand stage were features of the program.

TOLEDO MAN ADDRESSES KNIGHTS OF COLUMBUS

D. D. Dudley, of Toledo, state deputy of the supreme council, Knights of Columbus, addressed a large attended meeting of Marion Council No. 1427, Knights of Columbus, last night in the Delphi Chapter. For a short time previous meeting plans were made to observe Columbus Day, Oct. 12. T. J. Pressler, Clarence Stein, Charles McDonough and R. C. Murphy were appointed on a committee to arrange for the celebration. The next meeting will be Sept. 27, at which time the annual election of officers will be held.

NICHOLAS LONGWORTH

NICHOLAS LONGWORTH, of Ohio, speaker of the House of Representatives, now seems to have a strong following for the presidential nomination at the Republican National Convention in 1924.

Longworth elected to preside but would bring "Prince Al" back to the White House. Mrs. Longworth was Alice Roosevelt, daughter of President Roosevelt.

BUILDING SLOW IN CITY, PERMITS SHOW

Only One Dwelling Listed in Records at Municipal Clerk's Office

Building in Marion has been slow during the last two weeks, according to permits issued from the office of the city clerk. Only a slight increase over the two preceding weeks was shown this week. The total estimated value of the property for which permits were issued the last two weeks is $7,665.

Only one dwelling was included in the list of permits issued, more than $2,500 of the amount being the estimated cost of 12 garages. Two permits to remodel dwellings at an estimated cost of $1,000 were included in the number issued.

Two weeks ago the total estimated value of the property for which permits were issued was $27,645, approximately $20,000 of this, however, was the estimated cost of remodeling the Salem Evangelical church. Aside from that, the total value of the property provided for by permits was $7,645.

That building permits issued from the office of the city clerk do not represent the actual building going on in the city is the opinion expressed by one builder today. If building permits, he contended, were taken out for every building constructed within the corporation, Marion would make a much better showing in the reports issued each month by the builders association at Akron.

SCHOOL BUS COSTS WILL BE TABULATED

County School Supt. C. S. Rayburn Preparing Table on Rural Transportation

A table, designed to show the actual cost of transporting each pupil in the county to and from school, is being prepared by County School Supt. Charles S. Rayburn. It is expected that the table will be completed within the next week.

According to estimates of Superintendent Rayburn the enrollment in county schools this year is close to 4,000. Of this number 500 per cent of nearly 3,700 youngsters are hauled to and from school.

TO BUILD GARAGE

A building permit was issued yesterday afternoon by City Clerk Keller to Dr. F. A. Hunter, 282 E. Center st., who will build a garage to cost $500.

IMPROVEMENT BIDS OPENED

Six Contractors Submit Proposals on Sidewalk and Sewer Work

Bids for the construction of eight sewers and eight sidewalks, submitted by six contractors, were opened by Service Director Beardsley in his office at city hall yesterday. The figures are being tabulated today and it is expected that contracts will be awarded next week.

The six contractors who are bidding for the work are Kohlberger Construction Co., P. Drake & Sons, George Landon, Congdon & Gillispie and H. O. Phelps of this city and P. Landon & Son of Caledonia.

With the contracts awarded next week, it is the expectations of contractors to complete a large share of the work before winter sets in. With the continuation of favorable weather the work, contractors say, can be brought to a point where the beginning of bad weather will not prove a serious handicap.

List of Sewers

The sanitary and storm water sewers provided for in the bids submitted yesterday are on the following streets: Fahrney from Silvertz to lots No. 5750 and 5980; Osgood-st from Cheney-av to Prospect-st; Bellefontaine-av from Barkway to Chatfield-rd; Chatfield-rd from Bellefontaine-av to lot No. 12702; Glendale-av from Chatfield-rd to lot No. 12747; Maymarket-av from Chatfield-rd to Sheridan-rd; Burkey-st from Davids-st to Henry-st; Congress-st from Davids-st to Henry-st.

Sidewalks, contracts for which will be awarded next week, are on the south side of Harrison-st from Sixteen to the eastern terminus; on the south side of Buckeye-st from Davids-st to the east side of Mound-st; on the north side of Bellefontaine-av from Barkway to Chatfield-rd; on the east side of Chatfield-rd from Bellefontaine-av to Maymarket; on the west side of Barkway from Sheridan-rd to Bellefontaine-av; on both sides of Maymarket from Sheridan-rd to Chatfield-rd; on the south side of Sheridan-rd from Barkway to the end of the present walk.

Bids for material and labor are required to be submitted separately and the bidders are required to state explicitly the kind of material to be used.

DELAWARE POLICE SEEK WOMAN IN BIG RED CAR

A telephone message asking the police to be on the lookout for a "big red automobile" driven by a woman with gray, bobbed hair, was received at police headquarters from the Delaware police department early this morning.

The woman, who is Mrs. Sydney Dear, is said by the Delaware police to have wandered away from her home in that city early this morning taking the automobile with her. She is described as being a large woman, of light complexion and wearing a light-colored house dress trimmed in blue. The make of the machine in which she is supposed to have left the city was not supplied the police.

RELATIVES OF COLORED MAN SOUGHT BY DEAL

Efforts were being made by Sheriff James A. Deal today to locate relatives of Lige White, 55, colored, who was picked up in a semi-comatose condition on the Hocking Valley tracks, north of Marion, at 6 o'clock, this morning.

White declares that he is a resident of Cincinnati but is unable to tell the whereabouts of his relatives. He was placed in county jail.

THREE YOUTHS ARRESTED ON LOITERING CHARGES

Harold Yeatts and Howard Carter, both 21, of Kent, were arrested by railroad police in the Erie yards at 2 o'clock this morning on a charge of loitering. John Mihosky, 20, who gave his home as Pennsylvania, was arrested at 3 o'clock by the Erie police on a charge of vagrancy. All were locked up at police headquarters.

SLIGHTLY IMPROVED

Mrs. Helen Coulter, Hanover, who has been seriously ill of pneumonia at her home, is reported to be slightly improved today.

MEETING POSTPONED ON ACCOUNT OF WEATHER

Regular meeting of Canton Marion, No. 96, Patriarchs Militant, scheduled for last night, was postponed until the first Friday in October, on account of the weather.

A Canton Marion delegation will take part in the third regimental drill of the organization to be held at Springfield, Oct. 2. Delegations from Canton, Troy, Dayton, Springfield, Columbus and Cincinnati are also expected to participate.

A picnic dinner will be held after which the drill will take place and several speeches will follow. The members of the organization will attend the drill in full dress if the heat has subsided.

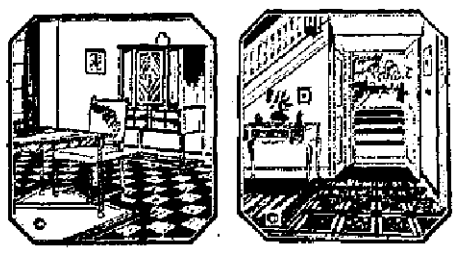
MORRAL PASTOR GIVES FIRST SERMON SUNDAY

Morral, Sept. 17—Rev. Gaylord Bogardus, new pastor of the Morral Methodist Church, will preach his first sermon here at the services Sunday morning. On the following Sunday he will preach at the evening services, this being the schedule maintained throughout the year.

Reverend Bogardus is pastor here and at Asbury Church, Marion, having been assigned to this charge at the conference held in Delaware recently. He was formerly located in Delaware.

THREE NEGROES HELD AS MURDER SUSPECTS

Three negroes were picked up by Erie detectives in the railroad yards shortly after midnight last night and are being



"Linoleum Floors Are Such a Comfort"

—is what thousands of women are saying now-a-days because they have found that there is no floor-covering that possesses such all-'round advantages. And this is particularly true where care has been taken to use

BLABON'S Linoleum

First of all, with this Linoleum you can brighten up and add to the beauty of most any room because Blabon designs and color harmonies are so charming and varied that they will fit in with all kinds of decorative treatments.

But what is probably most satisfying of all is the fact that it is

Waterproof — Easy to Clean — Mothproof and Needs No Beating, Taking Up or Scrubbing

Just think what that means in terms of labor-saving alone. And a Blabon floor is always economical because it wears for years when given the proper care—an occasional waxing, if of Inlaid Linoleum, or a coat of floor varnish once or twice a year, if of Printed Linoleum.

Let us show you the new Blabon patterns in our stock and estimate for you just how much it will cost to lay a Blabon floor in any or all of your rooms.

The Tunney-Dempsey Fight by RADIO

One of the Greatest Events of Boxing History!

THE world famous Tunney Dempsey match to be fought at Soldiers' Field in Chicago on September 22nd will be one of the most thrilling, exciting, colorful events the history of boxing has known.

By "listening in" on a good Radio you can get a detailed blow by blow, round by round account of the battle as it is being fought. Even as one of the fighters is sagging on the ropes you will have the picture in your mind's eye of the smashing blow that floored him.

A ringside seat costs nearly as much as a first-class Radio and is good for only an hour or so. The Radio will not only be your invisible binoculars to the Tunney Dempsey bout but to all the great events that take place within the next decade. Buy a Radio today. Let the ads below aid your decision.

SALLY'S SALLIES

MRS. E. P. CURTIS IS HOSTESS TO CLUB

Prospect, Sept. 17—Mrs. E. P. Curtis was hostess to the Embroidery Club, Thursday afternoon at her home south of Prospect. Mrs. Curtis was assisted in entertaining by Miss Elizabeth Wareing.

The decorations throughout the house were gladiolis and asters. Following an informal social program a 6 o'clock dinner was served. Guests were: Mrs. Hubin Morris, Green Camp; Mrs. O. J. Schaeffer, Columbus, and Mrs. Theo Griffith, Prospect.

SCHOOL ORGANIZATION TO OPEN YEAR'S WORK

Martel, Sept. 17—The Martel Parent-Teachers association will hold its first meeting of this year at the school building Tuesday night, Sept. 20. A program will be given by the school children.

Another feature of the meeting will be introduction of the teachers.

MONTHLY SOCIAL.

Waldo, Sept. 17—Tuesday night at the home of Mr. and Mrs. C. V. Lawrence the Sclanders class and the Woman's Adult Bible Class of the M. E. Sunday School held their regular monthly social. Hostesses were Mrs. Lawrence, Mrs. E. T. Miller, Mrs. Ruth Miley and Mrs. Fannie McKee.

Mr. and Mrs. J. L. Meeker were guests of the classes.

UNITED IN MARRIAGE

Miss Dorothy L. Davids and T. E. Elliot Wed at Prospect

Prospect, Sept. 17—Miss Dorothy L. Davids was united in marriage with Thomas L. Elliot in a ceremony solemnized at 9 o'clock Thursday night at the Methodist parsonage here, with Rev. O. L. Smith officiating. Earl Davids, of Columbus, a brother of the bride, and Miss Alice Matthews, of Prospect, were best man and bridesmaid.

Mrs. Elliot is the daughter of Mr. and Mrs. Frank Holt, who have a wide circle of friends, and is a member of the graduating class of 1926, Prospect High School. Mr. Elliot is the son of Mrs. Lucy Elliot, who resides three miles south of Richwood.

A wedding supper was served the bridal party after the ceremony at the home of Mr. and Mrs. Frank Holt, and later a number of Mrs. Elliot's friends from near Essex gave them an old-fashioned belling.

Mr. and Mrs. Elliot will reside with the groom's mother.

FIRST SERMON SUNDAY

Martel, Sept. 17—The Reverend Gibson will deliver his first sermon at the Methodist Church, Sunday night at 8 o'clock. Sunday school services will be held Sunday morning at 10 o'clock.

STAR TELEPHONE.

Call 2314 and ask for the party with whom you wish for the department you want.

SATURDAY ..... SEPTEMBER 17, 1927

Star subscribers will greatly facilitate good delivery service by making all complaints to the business office, not to carriers. Phone 2314.

Daily Proverb—"Truth and honesty have no need of loud protestation."

London no doubt seemed just the place for the Prince of Wales and Prince George upon their return home. It was railroad.

Well, anyway, some of us were in favor of it, to have deferred taking our annual vacation until the near advent of fall rains and real vacation weather.

General Dawes refused two ringside seats for the Tunney-Dempsey fight. Maybe they were Nos. 43,000 and 44,000 in section 2n, G.S., and he had seen the play.

"If it be true that women decide eighty per cent. of all purchases," says the Youngstown *Vindicator*, "it only proves that *males love peace more than victory.*" It's just possible that they have become converts to the "*peace without victory*" idea.

The situation begins to look pretty dark for Jack Dempsey. Some of the eastern sport writers have begun to admit that he has a chance.

What's the matter with the shrewdness of the Tulsa woman who has employed her lawyer husband to secure for her a decree of divorce? The more business he does, the more alimony he will be able to pay.

Talking about suffering humanity, won't it be awful if that new model is equipped with that Frenchman's device for making an automobile jump?

Still, let us be fair. It can hardly be held, even though it may appear that way, that Indiana has an absolute monopoly in the matter of fanaticism.

General Ludendorff says the Masons brought about prohibition in the United States. We very gravely fear that the general doesn't appreciate the long and earnest effort of the W. C. T. U. or the life work of the late Wayne B. Wheeler.

The fiscal operations of the United States treasury aggregated $1,500,000,000, Thursday. In time this country's business is liable to assume really notable proportions.

We were mistaken when we said yesterday that "Miss Ruth Elder," the "pretty young girl" who is to hop off for Paris tomorrow, married her husband five years ago. That was when she married her other one.

There's this difference between the reckless aviator and the reckless motorist; the former generally risks his own life only while the latter is a menace to the entire community as well as himself.

Chicago scientists branded as foolish the prediction of a British scientist that a heavy earthquake within the coming year will cause an immense crack to encircle the world, so we may just as well start planning our vacations for the coming year.

No, Theodosia, you are in error. All the state and municipal officials of Indiana are not just out of prison, in or started for. There are always exceptions to the rule.

That unfriendly greeting which was to have been given the Lectonaires by chorboys seems to have been conspicuous as a result of its absence. Just another case of anarchistic and communistic bluff.

And Now the Budget Commission.

In the ordinary routine of business the budget commission will probably get busy, the coming week, on what the various political divisions of the county will be given to expend in 1928.

As we have stated in these columns, the county and city budgets show very commendable recessions in requests for funds, the amount asked by the county being $45,000 less than the request for the present year and that of the city $76,000 less than the city authorities sought a year ago, although they still ask for $6,000 more than they received this year.

But there is no certainty that these reduced requests will be met by the budget commission, which is liable to be influenced by the expenditures of the various divisions this year and the greater or less needs, as it may be, which will obtain next year.

As the city authorities explain the reduction something like a year ago, it is their policy in making up their budget, each for enough to the end that they may get what they really need. The fact that they were able to get along splendidly this year although their budget was cut over $32,000 probably induced them to moderate their requests at this time, which is as it should be, for all the divisions should work to get down to a business basis and seek what they really need and not ask for all they are able to get.

We believe the matter of differences between holstered requests could safely be left to the budget commission, if it is sufficiently acquainted with the work of the various expending agencies to know how to meet the requests for funds made by them and that it will work to safeguard to the extent of its ability the interests of all.

This Is Constitution Day.

[illegible]

We do not wish to be taken as holding out that any amendment to the constitution of the United States would have failed of ratification had it been submitted to popular vote, but we do mean that the fact that none of them were not thus submitted for ratification has led to dissatisfaction upon the part of a large element of our people. Just as the proposed child labor amendment would have led to dissatisfaction had it not failed to receive the approval of the legislative bodies of three-fourths of our states. It is the fact that such amendments were put over in the way they were that rankles with a large element of our people. And we say this despite the fact, by way of illustration, that we are in favor of prohibition, believing that intemperance is one of the greatest curses from which our land has suffered in the past and is suffering today.

Let us be chary in the future about changing this great instrument, but, should conditions arise which make changes imperative, let us change it upon the mandate of our people expressed by their votes.

The father of the fourteen-months-old girl rescued from drowning in a Chicago park lagoon is to pay all the expenses of her thirteen-year-old boy rescuer through high school and college. It's fine to learn that heroism is thus rewarded, but the boy himself probably would much prefer a motorcycle or a Ford.

There is no occasion for the Omaha civil war veteran of ninety-eight to become disheartened over the fact that his bride of fifty-eight has jilted him. As the years pass and his judgment matures he may realize that what he took for love was merely youthful fancy.

The Name of Wilson Effaced.

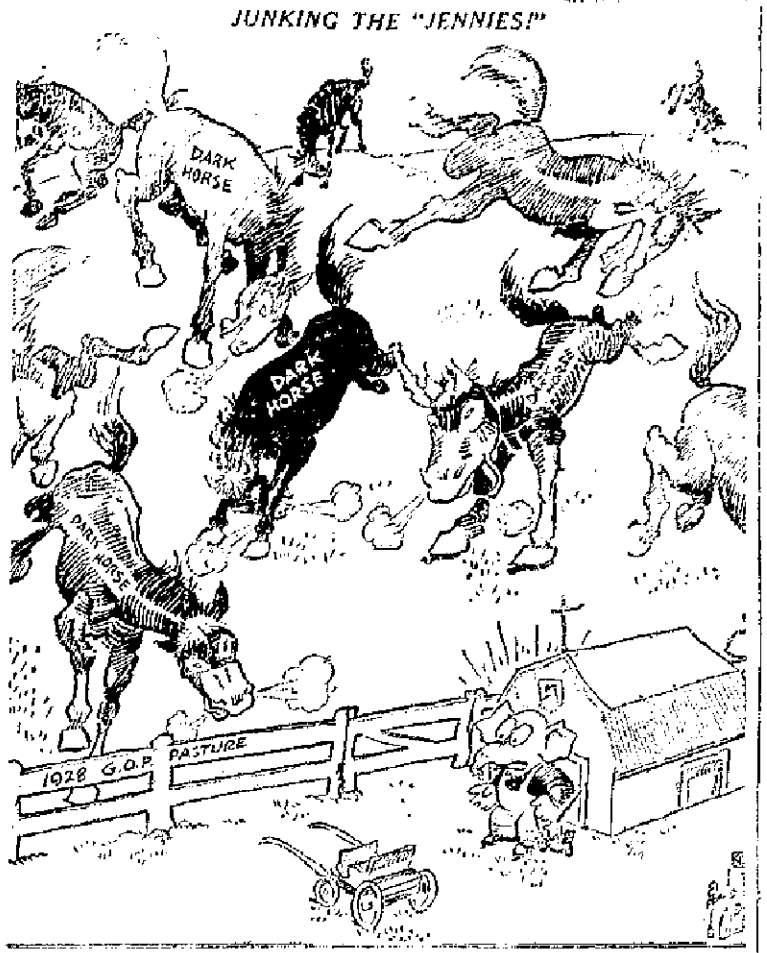
Through the initiative of the communist members of the council of Lucenec, in Czecho-Slovakia, the name of President Wilson square has been changed to Sacco-Vanzetti square. Thus the name of the man generally credited throughout Czecho-Slovakia as responsible for its existence has been effaced and those of two Italians sentenced and executed for murder have been honored in its stead.

To many it was a matter for deep regret at the time that Mr. Wilson ever promulgated his idea of the self-determination of peoples, and as the years have passed since the conference at Versailles stirred us Europe that regret has become more general and profound.

There can be little question but what the fight made by Mr. Wilson for the League of Nations and its endorsement by the people of the United States cost him so far as the shaking of his last personal powers and ultimately led to his death. His one gratitude manifested during the years which have passed since the organization of the league lauded his effort in behalf of European peoples. We believe the answer to this will be very forceful in the negative. His old friends Joseph Tumulty dismal all these years been in some measure a mourning for the loss of his friend did not. When Mr. Wilson recently as he was moved by the efforts of European women peculiarly fitted [illegible]

[illegible]

JUNKING THE "JENNIES!"



Autopsies Held on Mummies.

BY ROYAL S. COPELAND, M. D.

Out of Berlin comes an interesting story about the ancient Egyptians. Thirty thousand mummies have been submitted to the X-ray and from the results of these examinations much was learned concerning the physical disabilities of three years and more ago.

The report is extremely interesting. It shows about the teeth, for instance, that those who worked as slaves and sweated under the hot rays of the Nile, had undamaged teeth. But regularly, those who ate well lived and dined sumptuously every day, had badly decayed teeth.

Leprosy, syphilis and tuberculosis were uncommon. The most serious of the diseases found was arthritis. This appears to have been the curse of ancient days.

There are several varieties of arthritis and the report I saw gave few details. It did say, however, that marked changes were found in the bones and joints of the mummies.

In modern times we have endless numbers of sufferers' victims. There is much confusion in the medical profession as to how to classify these ailments. It is believed they cause as the result of some sort of an infection, but their methods of attack are not uniform.

In one type the tissues in the joint are involved. The ligaments and lining membranes become inflamed. In another type, there are bony accumulations of fluids in the joint and changes in the bones and cartilages.

It is hardly worth while to go into further details as to the forms of "arthritis." The name means "inflammation of a joint" and that is enough to know of the disease in general.

There is one particularly dreadful kind of arthritis." It is known as "arthritis deformans" and is well named because of the altered shape and deformities of the joints produced by it.

In the acute attacks the fever is high and the pulse rapid. The joints are swollen, tender and feel hot if you place your hand on the inflamed part. Pain is great and worse on motion.

Since it is probable that the accident is due to an infection, every effort should be made to locate it. Bad teeth and abscessed tonsils are common seats of the exciting trouble. Diseases of the gall bladder may be responsible.

Scarlet fever, tuberculosis and certain blood disorders may be at the root of the trouble. Nothing should be taken for granted until the remote cause and been found.

Of course, a disease so serious as this, and so deformed it is neglected, must have the wisest and best of care. Your family physician should be called in so that no time shall be lost in beginning the treatment. Much can be done with proper care.

ANSWERS TO HEALTH QUERIES.

E. E. Q.—Will electrical treatment be helpful for a goiter where medication has been ineffective?

A.—A goiter must have special attention in every instance. Your own doctor should advise you as to the treatment you need for the particular type of goiter you have.(Copyright, 1927).

Dr. Copeland will answer for readers of this paper questions on medicinal, hygienic and sanitation subjects that are of general interest. Where the subject of a letter is such that it can not be published in this column, Dr. Copeland will, when the question is a proper one, write you personally if a self-addressed, stamped envelope is enclosed. Address all inquiries to Dr. Royal S. Copeland, in care of this office.

Vagrant Verse.

MY HUSBAND'S A SOLDIER

[illegible]

Editorial Comment.

THE POWER HOUSE OF A TYPHOON.

Air is not a heavy substance, but air in motion is one of the great forces of the world. Japan has suffered another object lesson of its power. In such cases known by the thousand, to lay flat on the ground, to raise tidal waves hundreds of miles long and dozens of feet high these are no "child's play" windings among the natural forces. Not all the dynamite and steam engines and waterwheels in the world could produce a trifle of the power exerted in a few minutes in the destruction along the coast of Kiushiu. Whence comes this energy? Where is the power house of a typhoon?

This power house lies [illegible] engineers of the storm agree, a mile or two above the earth in the part of the storm where water vapor is being condensed to rain. A typhoon, exactly like a less kind of storm as the hurricanes of the Atlantic, is a gigantic steam engine, not unlike the familiar turbines that drive the dynamos of New York's electric power houses. The steam is an air wind, like the little "dust devils" that chase across hot fields on sultry days, but enormous, incomparably vast. Into the spinning vortex of the storm whirls there flows from behind a continuous wind of warm, moisture-laden air. This is the steam supply. Inside the wind a part of this moisture condenses to rain. That frees the power, probably the richest cascade of concentrated power that nature ever displays.

A gallon of water in the form of vapor contains more heat than the same water holds as a liquid. It needs heat to evaporate water; the same amount of heat is set free when the water condenses. Out in the Pacific ocean, southeast of Japan, long days of sunlight fell on the sea, evaporating millions of tons of water. Heat was absorbed and stored in the steam. Sucked into the typhoon, this water vapor carried its heat along. The water fell as rain; the heat was freed; heat is power. An added typhoon may generate more than [illegible] horsepower continuously for days. No power house on the world's surface can match it. The largest here on earth is a mere gnat in comparison. Nothing of man's making can stand against its might.—New York Herald Tribune.

THE FRENCH HAVE HAD ENOUGH.

It appears that a considerable number of leaders of French public thought are quibbling but satisfied with the announcement of the council of ministers that it is not breaking off diplomatic relations with Moscow by sending Ambassador Herriot home, but is leaving the soviet government free to appoint a successor if it desires to do so. Many of the more influential newspapers, including three large Paris journals, insist that hitherto executives will not do that France should follow the example set by Great Britain and sever relations with the Bolsheviks entirely.

The Journal des Debats, for instance, while professedly acknowledging that Rakowsky's offenses have been largely individual, takes the stand that the red diplomats are all of one sort. It says the successor to Rakowsky "would be of the same stock as has been" and adds: "In the conference as a result of the Arcos raid, held in Great Britain, it decided that one all agencies, the soviet embassies are centers of espionage and propaganda." As far as concerns permanent interests for France are concerned the situation seems [illegible]

4 Great Cars in 4 Great Markets

CHRYSLER cars are designed and built for people who want that extra something which makes all the difference between performance and value that are merely satisfactory and performance and value that are truly distinctive.

Pick up, and power and speed that amaze as much as they exhilarate—instant responsiveness to steering wheel—brakes that positively insure safety—most unusual riding comfort—marked freedom from mechanical cares—alluring smartness of line and color.

There are four great lines to meet the four great divisions of the market—"52," "62," "72" and the Imperial "80." See them. Among them you are bound to find the car that exactly fits your needs—the car that actually provides that "extra something" at a price unbelievably low.

THE PACKARD SIX
5 PASSENGER SEDAN
$2285
AT THE FACTORY

One Year to Pay-Five Years to Own

THE average Packard Six purchaser keeps his car nearly five times as long as its monthly payment period.

He knows that it is far better business to buy a long-life car on the payment plan than a short-life car for cash.

Why not let us tell you how much your present car is worth and then apply its value against the down and monthly payments on one of the new Packard Six models?

Perhaps your car is worth more than the down payment in which case you may have a new Packard without any money outlay and with the small monthly payments made smaller because of credit for your old car.

The new Packard Six is offered in twelve standard body types at prices from $2275 to $2785 at the factory.

Fastest Four in America Proves Its Claim to Title

Dodge Averages 67.35 miles per hour in Beating All Other Fours in Atlantic City A. A. A. Race

The Atlantic City (N.J.) Speedway Association, without Dodge Brothers instigation or knowledge, bought a Dodge Brothers Four and entered it in a Labor Day race for Four cylinder stock cars. Four cars of other makes also competed. All were strictly stock cars as required by the rules of the association.

The race was for 25 miles—to determine which was "The Fastest Four in America."

The Dodge won.

Its average speed for the entire race, from a standing start, was 67.35 miles per hour (officially timed by A. A. A.).

Generous confirmation, to say the least, of the modest claim of "Mile-a-minute Performance!"

Even more remarkable than the speed, however, is the fact that the car had been driven only 10 days and yet was able to withstand this difficult test without once stopping.

Thus the race not only offers conclusive proof of the Dodge's superiority in speed, but stands also as a glowing tribute to the rugged materials and excellent workmanship that go to make it—

America's Fastest and Finest Four!
